

Name: \_\_\_\_\_

**In submitting this acknowledgement, I affirm that:**

- My participation as an NCCN panel member is voluntary and advisory in nature.
- I will comply with NCCN's *Operation Principles and Procedures* for the Development and Updating of the NCCN Guidelines as a panel member.
- All uses of the NCCN Guidelines shall be subject to the terms of the then current NCCN End User License Agreement (EULA).
- NCCN and its licensors are the owners of all right, title and interest in the NCCN Guidelines including, without limitation, all updates and other derivative works thereof, all copyright and other intellectual property rights related thereto, and all other rights set forth in the EULA.
- I hereby assign to NCCN all copyright and other intellectual property rights that I ever had, now have or hereafter may have in and to (i) the NCCN Guidelines and (ii) any materials developed in connection with my participation as an NCCN panel member.
- Any chair or vice chair of an NCCN panel may not serve as a chair of a panel which is involved with the development of guidelines, pathways and other directives related to cancer treatment for any organization or entity other than NCCN.
- Deliberations of NCCN Guidelines panels are confidential and panel discussions or decisions will not be shared with anyone other than the relevant NCCN panel members and staff prior to publication.
- I will comply with any conditions or restrictions adopted by NCCN regarding any identified conflict of interest, update this acknowledgement and the following disclosure at least every 6 months and revise and update as necessary before any panel meeting.

1a. Are you currently participating, or have you participated within the past 12 months, in funded or unfunded research on a technology, process, or product development as the Principal Investigator or served on a Data Safety Monitoring Board?
