ADVANCING Patient Support | Personalized assistance from ADC Therapeutics

Personalized assistance. Comprehensive support. One single point of contact. At ADC Therapeutics, it’s critically important to us that patients who are prescribed our products receive the assistance and support they need—all with the convenience and continuity of a dedicated case manager. This single point of contact ensures that patients receive the personalized assistance and support services that are available to them. Specifically, case managers help with:

- **Coverage Support**
  - **Benefits Investigation**: Provides a summary of benefits for a better understanding of patient insurance coverage and out-of-pocket costs.
  - **Prior Authorization/Precertification**: Helps determine if a prior authorization or precertification is needed, and can provide guidance and support throughout the process.
  - **Appeals and Claims**: Provides guidance on coding and billing, the appeals process, and can help answer any questions that arise.

- **Financial Support**
  - **Commercial Copay Program**: Eligible patients who are commercially insured can be enrolled in the copay program.
  - **Patient Assistance Program (PAP)**: Patients who are uninsured or underinsured and meet the criteria for the PAP could receive therapy at no cost.

- **Nursing Support**
  - **Dedicated Nurses**: Answer questions about the medication, help patients plan conversations with healthcare providers, and connect patients to other available services and support.

*For commercially insured patients only. Eligibility and other restrictions apply.

For full terms and conditions, visit [ADVANCINGPatientSupport.com/copay-terms-conditions](http://ADVANCINGPatientSupport.com/copay-terms-conditions).

Astellas Pharma US, Inc. XTANDI Support Solutions™
Your Patients - Your Practice - Your Choice

XTANDI Support Solutions™ is designed as a single point of contact to help patients and their loved ones understand their coverage and reimbursement options for XTANDI (enzalutamide) capsules. Astellas is firmly committed to ensuring our patients have access to XTANDI, regardless of their financial status. We are here to answer questions about your insurance coverage and options for filling your prescription in order to get you started on therapy as quickly as possible.

**Flexible and integrated resources for patient access and support:**
- Covers the needs of patients with private insurance and Medicare, as well as uninsured patients
- Physicians can send a prescription directly to a Specialty Pharmacy Provider in the network, HUB call center, or self-dispense out of an office based pharmacy
- Provides patient benefit verification and support with prior authorization and appeals assistance

**XTANDI Patient Savings Program™**
- Co-pay assistance for privately insured patients
- One time enrollment per year or 12 monthly refills
- Patients pay no more than $20.00/month with an annual maximum benefit of up to $12,000/year
Quick Start™ for XTANDI
To enable rapid initiation of treatment, the Quick Start™ program for XTANDI provides a one-time, 14-day gratis fill supply of XTANDI that requires a physician prescription. Quick Start™ is intended for new patients who have not received a coverage decision from their payer (for example, a benefit verification or prior authorization is pending) in time to start therapy in 10 business days. Quick Start™ offers several benefits:
  - Allow patients to start treatment with XTANDI while XTANDI Support Solutions™ troubleshoots issues
  - Provides quick delivery time so patients can start therapy as soon as possible
  - Offers direct-to-patient shipping

Astellas Access Program™
Astellas is committed to supporting and maintaining access to medications for patients who are treated with an Astellas product.

The Astellas Access Program™ for XTANDI is designed for patients who have no health insurance. This program provides free XTANDI to patients who qualify for enrollment based on insurance and household income status. Eligibility is determined on a patient-specific basis. XTANDI Support Solutions™ can quickly determine whether a patient is eligible for enrollment.

If you need assistance with the Astellas eService site, XTANDI Support Solutions™ or have any questions on coding, coverage, and reimbursement for Astellas products, please contact us between the hours of 9:00 AM and 8:00 PM ET Monday through Friday.
