The NCCN 2024 Annual Conference and related activities are planned to be held as “hybrid” events on April 5 – April 7, 2024 to include live (in-person) sessions and a virtual option. The live sessions will be held at the Orlando World Center Marriott, Orlando, FL and simultaneously, a virtual platform will be provided where certain activities/sessions will be offered for remote attendance.

The NCCN 2024 Annual Conference is projected to attract more than 1,450 (950 in-person and 500 virtual) attendees from across the United States and the globe including oncologists (in both community and academic settings), oncology fellows, nurses, pharmacists, patient advocates, and other health care professionals involved in the care of people with cancer.

The conference features three days of educational sessions where respected opinion leaders from NCCN Member Institutions present the latest cancer therapies and provide updates on selected NCCN Clinical Practice Guidelines in Oncology (NCCN Guidelines®), the data upon which the NCCN Guidelines® are based, and quality initiatives in oncology. Topics change annually but focus on the major cancers and supportive care areas. The NCCN Annual Conference also includes case study discussion forums with experts from NCCN Member Institutions and roundtable discussions featuring the foremost professionals from the academic, patient advocacy, government, payer, industry, and business realms of cancer care.

Live and Virtual Exhibit Booths

NCCN is dedicated to offering exhibit placements that provide value to our sponsors as well as an added informative feature for our Conference attendees. For these reasons, all exhibits will be both in-person and virtual. With the purchase of the physical booth space, a virtual exhibit will be included.
