How will new data influence therapy for your patients with breast cancer following surgery?

Watch *Adjuvant Therapy in Breast Cancer: From Testing to Treatment* on Discovery Health Channel beginning

February 24, 2008 • 9AM ET

Check local listings for other time zones.

Join members of the National Comprehensive Cancer Network (NCCN) Breast Cancer Guidelines Panel to discuss the use of adjuvant therapy in the management of breast cancer. The program will focus on issues such as indications for systemic adjuvant therapy, predictive and prognostic factors in adjuvant treatment, endocrine therapy for women, targeted therapy for HER2-positive tumors, and the appropriate use of cytotoxic chemotherapy.

Visit discoveryhealthcme.com for complete program details and to view programs online anytime, download the podcast, or order the DVD.
