

**NCCN Chemotherapy Order Templates (NCCN Templates®)
Appendix E**

Appendix E: Regimen References

References are incorporated into the NCCN Templates® based on content in the NCCN Clinical Practice Guidelines in Oncology (NCCN Guidelines®). References are listed in various sections of the NCCN Guidelines® including the algorithm, principles of systemic therapy, and discussion sections.

Each reference on the NCCN Templates will be given a classification (denoted with a superscript) according to the following definitions:

- a. The NCCN Guidelines include this article, and the template is consistent with this article.
- b. The NCCN Guidelines do not include this article, but the template is consistent with this article.
- c. The NCCN Guidelines include this article, but the template is not consistent with this article due to changes in the standard of practice.
- d. The NCCN Guidelines do not include this article, and the template is not consistent with this article due to changes in the standard of practice.
