Congress Overview

The treatment of hematologic malignancies is increasingly complex. Issues relating to pathology, transplantation, and various new therapies require oncologists and hematologists to stay abreast of new advances. In addition, targeted therapies and oral treatments bring the latest benefits to patients.

Intended Audience

This congress is designed to meet the educational needs of hematologists, oncologists, nurses, pharmacists, and other health care professionals who manage patients with hematologic malignancies.

Co-Chairs

Ranjana H. Advani, MD
