## PROGRAM FEATURES

Join the National Comprehensive Cancer Network® (NCCN®) at the NCCN 6<sup>th</sup> Annual Congress: Hematologic Malignancies™, where we bring oncology professionals new and updated treatment guidelines, as well as news about cancer therapies, quality initiatives in cancer care, and emerging issues in oncology business management. Demonstrate your leadership in cancer care with NCCN through select exhibit space. The NCCN Annual Congress: Hematologic Malignancies™ attracts nearly 700 attendees.

## PROGRAM OVERVIEW

Treatment of hematological malignancies is increasingly complex. Issues relating to pathology, transplantation, and various new therapies require oncologists and hematologists to stay abreast of breakthrough advances. In addition, targeted therapies and oral treatments bring the latest benefits to patients. This Congress will focus on the new approaches that have been incorporated into patient management, including the use of drugs, biologics, and diagnostics.
