PROGRAM FEATURES
Join the National Comprehensive Cancer Network® (NCCN®) at the NCCN 6th Annual Congress: Hematologic Malignancies™, where we bring oncology professionals new and updated treatment guidelines, as well as news about cancer therapies, quality initiatives in cancer care, and emerging issues in oncology business management. Demonstrate your leadership in cancer care with NCCN through select exhibit space. The NCCN Annual Congress: Hematologic Malignancies™ attracts nearly 700 attendees.

PROGRAM OVERVIEW
Treatment of hematological malignancies is increasingly complex. Issues relating to pathology, transplantation, and various new therapies require oncologists and hematologists to stay abreast of breakthrough advances. In addition, targeted therapies and oral treatments bring the latest benefits to patients. This Congress will focus on the new approaches that have been incorporated into patient management, including the use of drugs, biologics, and diagnostics.

AGENDA
Highlights include*

**Lymphomas**
- Maintenance Therapy in B-Cell Lymphoma: Yes, No, or Maybe?
- CLL: Selection of Treatment Based on Patient and Tumor Characteristics
- Panel Discussion

The National Comprehensive Cancer Network® (NCCN®), a not-for-profit alliance of 21 of the world’s leading cancer centers, is dedicated to improving the quality and effectiveness of care provided to patients with cancer. Through the leadership and expertise of clinical professionals at NCCN Member Institutions, NCCN develops resources that present valuable information to the numerous stakeholders in the health care delivery system. As the arbiter of high-quality cancer care, NCCN promotes the importance of continuous quality improvement and recognizes the significance of creating clinical practice guidelines appropriate for use by patients, clinicians, and other health care decision-makers. The primary goal of all NCCN initiatives is to improve the quality, effectiveness, and efficiency of oncology practice so patients can live better lives.
