Preferred Application: A PC-Based Adobe Illustrator .eps file. This should be a VECTOR file (as opposed to a bitmap image). Any letters or text in the file should be converted to curves (or shapes) before being saved as an .eps file.

The above type of file will allow us to import the file into our system to be used for either vinyl cutting and/or inkjet printing (whichever we determine as the most practical for that specific application).

Other preferred types of files are Gerber Graphix Advantage .plt, Corel Draw .cdr, Adobe Photoshop .psd, and Quark Xpress documents (providing that all components of the document (fonts, images, etc.) are included in the file. Quark documents should not be emailed, but sent on disk.

We can also accept some of the more common graphic format files such as .tif, .jpg, .pcx, .gif, etc. However, these files are bitmap images that are resolution-reliant. Whereas a low-res .jpg or .gif may be fine for a web page or a business card, when it is enlarged for a big sign or banner, the image suffers in that it becomes blurry or pixilated with “Stair Stepped” edges. When sending bitmap files for large graphics, the higher the resolution the better.

As stated previously, we prefer PC-Based files, however we can accept MAC files providing that they are sent to us on some type of digital storage media such as: 3.5” Diskette, ZIP Disk, CD-ROM (as opposed to emailing, as our MAC workstation is not wired into our email system).

If digital files are unattainable, we can work from camera-ready artwork. Such artwork must be large, clean, crisp, black & white stats or laser prints suitable for scanning. Business cards, letterheads, etc. DO NOT constitute camera-ready artwork and require a considerable amount of time and expense to edit.

If printing 1M graphic panels for Rental Exhibits, please allow 12” at the top for the header.

If in doubt, or have any questions, please contact us:
exhibitsales@metro-expo.com
TEAMSTER UNION

Teamsters handle freight at the exhibit hall. Teamsters unload trucks or vehicles. Teamsters also handle rigging of machinery, moving services and spotting machinery in booths. A rigging crew consists of three men. This service must be ordered in advance at the exhibitor’s expense.

CARPENTER UNION

Carpenters handle the erection and dismantling of display and exhibit booths. This includes all display work as well as uncrating and re-crating machinery and equipment. Carpenters install and dismantle drapery, table skirting and floor coverings.

EXPOSITION WORKERS UNION

Exposition workers deliver freight to booths after it is unloaded by the Teamsters. Exposition workers also deliver furniture and floor coverings, and assist Carpenters with erection and dismantling exhibits and displays. The first two men required for this work must be carpenters and the third man, if required an exposition worker.

ELECTRICAL UNION

Electricians handle all electrical work, which includes supplying power lines to your booth, connecting equipment to outlets and installing signs or banners that are lighted, unless they are permanently a part of the exhibit back wall.

WHAT CAN EXHIBITORS DO WITHOUT UNION PERSONNEL?

Exhibitors may install and dismantle their own exhibit and lay their own carpet in their own exhibit area as long as the following conditions are met:

1. The booth size is 100 square feet (10’ x 10’) or less;
2. The set-up can be reasonably accomplished in ½ hour or less;
3. No tools are used in the assembly or dismantle;
4. Individuals performing the work must be full-time employees of the exhibiting company and carry identification to verify this fact

Exhibitors can unpack and repack their own products in cartons, not crates. Exhibitors may “hand carry” or use nothing larger than a two-wheel baggage cart (rubber or plastic wheels only) to move items. Exhibitors may move a “pop-up” display, equal or less than 10’ in length, if capable of being carried by hand, by one full-time employee of the exhibiting company. Exhibitors can do technical work on their own machines, such as balancing, programming, cleaning of machines, etc.

GENERAL INFORMATION

FLAMEPROOFING

All table coverings as well as booth equipment must be a non-flammable material. All decorative materials must be fire-resistant and in accord with the standard established by the New York Fire Department. Affidavits attesting to flameproof compliance with Local Fire Department Regulations must be submitted when requested.

INSURANCE

Metropolitan Exposition Services, Inc. and/or the Association (Exhibit Manager) and/or the Exhibit Convention Site will not be responsible in any way for the safety of any exhibit or materials against fire, water, theft, accident or any cause nor for the loss or damage to goods consigned to its care. However, every effort will be made to protect exhibitor’s property. You are advised to consult your insurance broker for proper coverage on any of your display materials from the time it leaves your company’s premises until it returns.

Please take a few minutes and review the following information pertaining to shipping and material handling.

Shipping Charges
Please prepay all shipping charges. Metropolitan Exposition Services, Inc. will not accept or be responsible for collect shipments.

Material Handling Rates and Charges
Labor and equipment required for unloading and loading are included with Metropolitan Exposition Services material handling rates. Material handling rates apply to each 100 pounds (CWT). All fractional poundage must be rounded up to the next CWT. Each shipment received is considered separately. No cumulative weights are allowed on split shipments, UPS, etc. The above services whether used completely or in part, are based on the inbound weight of the shipment. Tracing shipments with your carrier is NOT the responsibility of Metropolitan Exposition Services, Inc. Metropolitan Exposition Services, Inc. requires that 100% of the estimated payments are due in advance. Please complete and return the Payment Authorization Form with your order.

Special Handling
A surcharge of 35% is applied in addition to the quoted rates for shipment(s) received that require special handling. Special handling is defined as, but not limited to, any shipment that requires additional handling or special equipment to load or unload, i.e. ground handling, mixed loads, double decking, hoist equipment, designated loading sequence or side door unloading. You are required to notify Metropolitan Exposition Services, Inc. of any special handling needs two weeks prior to set-up. This includes forklift capacity over 5,000 pounds. Uncrated and/or loose shipments are subject to this charge.

Consignment
All shipments must be consigned c/o Metropolitan Exposition Services to enable us to accept them for handling. Convention centers and hotels will not accept direct shipments consigned to them, as they have no facilities for receiving or storing freight.

Inbound Bill of Lading / Delivery Slip
All shipments must have a bill of lading or delivery slip indicating the piece count, weight and description of merchandise. Upon shipping, immediately send copies of bill of ladings to Metropolitan Exposition as well as your on-site representative. Material handling charges are based on the weight of the freight. Certified weight receipts are required for all shipments. Trucks arriving without documented weight will be required to go to the nearest weighing station to obtain documentation or a mutual decision will be made as to the weight and will be binding to both parties.

Service Within Booth
All deliveries are made to the booth. Any further handling or placement within the booth will incur additional charges.

Empty Containers/Labels
When finished unpacking, empty shipping containers (cartons, fiber cases, etc.) that have empty labels affixed to them will be picked up, stored and returned at the close of the show. Empty labels are available at the Metropolitan Service Desk and are to be used for empty storage only. Metropolitan Exposition Services, Inc. is not responsible for any contents of a container marked empty. It will not be possible to access empty containers during the show as they will be stored off-site.
Outbound Shipments
At the close of the show, it is the exhibitors’ responsibility to:

- Obtain a Material Handling Agreement (MHA) from Metropolitan Exposition Services, Inc.
- Arrange with carrier of your choice to pick-up your freight from show site by the designated time
- Re-pack and label each container being shipped (old shipping labels should be removed)
- Complete and return the Material Handling Agreement (MHA) to Metropolitan Exposition Services, Inc.

A Material Handling Agreement must be completed for each shipment. Therefore, if you are shipping out freight to (2) different locations, Metropolitan must have an MHA for both locations. If freight is found on the show floor and Metropolitan Exposition Services, Inc. does not have a completed Material Handling Agreement, Metropolitan Exposition Services, Inc. will declare it **FORCED FREIGHT** and it will be returned C.O.D. to the address present on the outside of the packages. Metropolitan Exposition Services, Inc. assumes no responsibility for misdirected shipments or liability for such handling. Additional charges will be assessed for shipments returning to our warehouse at $55.00 per 100 pounds/CWT.

**LIMITS OF LIABILITY**
We are not responsible for damages to uncrated materials; materials improperly packed or concealed damages.

1. We are not responsible for loss, theft, or disappearance of any materials improperly packed or concealed damages.
2. We are not responsible for loss, theft, or disappearance of any materials before they are picked up from the exhibitors’ booth for reloading after the show. Bills of lading covering outbound shipments will be checked at the time of actual pickup from the booth and discrepancies will be corrected.
3. We are not responsible for any loss, damage or delay due to fire, Acts of God, strikes, lockout, or work stoppages of any kind or to causes beyond our control.
4. Maximum recovery. If found liable for any loss, Metropolitan's sole and exclusive maximum liability for loss or damage to exhibitor's materials and exhibitor's sole and exclusive remedy is limited to $.50 (USD) per pound/article with a maximum liability of $100.00 (USD) per item, or $1500.00 (USD) per shipment, whichever is less.
5. We are not liable to any extent whatsoever for any actual, potential or assumed loss of profits or revenues or for collateral costs, which may result from any loss or damage to an exhibitor’s materials which may make it impossible or impractical to exhibit it.
6. The consignment or delivery of a shipment to Metropolitan Exposition Services Inc. by an exhibitor (and/or other shipper) on behalf of the exhibitor shall be construed as acceptance by the exhibitor of the terms and conditions set forth.
As the official service contractor, Metropolitan Exposition Services, Inc. is the exclusive provider of material handling services. We are prepared to receive your exhibition materials either in advance at our warehouse or directly at show site. Material handling should not be confused with the cost to transport your exhibit materials to and from the show. You should arrange for the carrier of your choice to transport your materials. All shipments must be prepaid. Collect shipments will be refused.

**Advance Shipping to Metropolitan Exposition Warehouse (200 pound minimum per shipment)**

YOU ARE ENTERING A CONTRACT WHICH LIMITS YOUR POSSIBLE RECOVERY IN CASE OF LOSS OR DAMAGE

The terms and conditions set forth below become a part of the Contract between Metropolitan Exposition Services, Inc. and you, the Exhibitor. Acceptance of said terms and conditions will be construed when any of the following conditions are met:

- The Payment Authorization Form is signed; or
- An order for labor, services and/or rental equipment is placed by exhibitor with Metropolitan Exposition Services, Inc.; or
- Work is performed on behalf of exhibitor by labor secured through Metropolitan Exposition Services, Inc.

DEFINITIONS

For purposes of the contract, “Metropolitan Exposition Services, Inc,” (“Metropolitan”) means its employees, directors, officers, agents, assigns, affiliated companies, and related entities including, but not limited to, any subcontractors Metropolitan Exposition Services, Inc. may appoint. The term “Exhibitor” means the exhibitor, its employees, agents, representatives, and any Exhibitor Appointed Contractors (“EAC”).

PAYMENT TERMS

Full payment, including applicable tax, is due in advance or at show site. All payments must be in U.S. funds and all checks must be drawn on a U.S. bank. Orders received without advance payment or after the deadline date will incur additional after deadline charges as indicated on each order form. All materials and equipment are on a rental basis for the duration of the show or event and remain the property of Metropolitan except where specifically identified as a sale. All rentals include delivery, installation, and removal from Exhibitor’s booth. In case of cancellation of any orders or services by Exhibitor, a one-hour “per person, per hour” charge will be applied for all labor orders that are not cancelled in writing at least 24 hours prior to the scheduled start time. If services have already been provided at the time of cancellation, a 50% restocking fee will be applied to all Metropolitan rental items with the exception of Custom-Cut carpet and any other custom-order items, which will remain at 100% of the original charge. If the show or event is canceled because of reasons beyond Metropolitan’s control, Exhibitor remains responsible for all charges for services and equipment provided up to and including the date of cancellation. Metropolitan will not issue refunds to Exhibitor of any payments made before the date of cancellation. It is exhibitor’s responsibility to advise the Metropolitan Service Desk Representative of any problems with any orders, and to check the Exhibitor’s invoice for accuracy prior to the close of the show or event. If Exhibitor is exempt from payment of sales tax, Metropolitan requires an exemption certificate for the State in which the services are to be used. Resale certificates are not valid unless Exhibitor is rebilling these charges to its customers. For International exhibitors, Metropolitan requires 100% prepayment of advance orders, and any order or services placed at show site must be paid at the show. For all others, should there be any pre-arranged unpaid balance after the close of the show, terms will be net, due and payable in Moonachie, New Jersey upon receipt of invoice. Effective thirty (30) days after invoice date, any unpaid balance will bear a finance charge at the lesser of the maximum rate allowed by applicable law, or 1.5% per month, which is an Annual Percentage Rate of 18%, and future orders will be on a pre-paid basis only. If any finance charge hereunder exceeds the maximum rate allowed by applicable law, the finance charge shall automatically be reduced to the maximum rate allowed, any excess finance charge received by Metropolitan shall be either applied to reduce the principal unpaid balance or refunded to the payer. These payment terms and conditions shall be governed by and construed in accordance with the Laws of the State of New Jersey. In the event of any dispute between the Exhibitor and Metropolitan relative to any loss, damage, or claim, such Exhibitor shall not be entitled to and shall not withhold payment, or any partial payment, due to Metropolitan for its services, as an offset against the amount of any alleged loss or damage. Any claim against Metropolitan shall be considered a separate transaction, and shall be resolved on its own merits. Metropolitan reserves the right to charge Exhibitor for the difference between the Exhibitors estimate of charges and the actual charges incurred by the Exhibitor, or for any charges that Metropolitan may be obligated to pay on behalf of Exhibitor, including without limitation, any shipping charges. If Exhibitor provides a credit card for payment and charges are rejected by the Exhibitor’s credit card company for any reason, Metropolitan hereby provides notice that it reserves the right, and Exhibitor authorizes Metropolitan, to continue to attempt to secure payment through that credit card for as long as unpaid balances remain on Exhibitor’s account.

LABOR UNDER THE SUPERVISION OF METROPOLITAN – RESPONSIBILITIES:

Metropolitan shall be responsible for the performance of labor provided under this option. Metropolitan does not assume responsibility for any acts of, or loss to, persons, parties and/or other contracting firms not under Metropolitan’s direct supervision and control. In no event shall Metropolitan be liable for loss or damage caused by delay in labor beginning work when Exhibitor requests labor to begin later than the start of the working day. Metropolitan shall not be responsible for loss, delay or damage due to strike, lockouts, and/or work stoppages, or other causes beyond Metropolitan’s reasonable control.

INDEMNIFICATION:

- Metropolitan agrees to indemnify, hold harmless, and defend Exhibitor from and against any and all demands, claims, causes of action, fines, penalties, damages, liabilities, judgments, and expenses (including but not limited to reasonable attorneys’ fees and investigation costs) for bodily injury, including any injury to Metropolitan’s employees, or property damage arising out of work performed by labor provided by and supervised by Metropolitan except when Exhibitor exercises direction and/or control over the work being performed.

LABOR UNDER THE SUPERVISION OF EXHIBITOR – RESPONSIBILITIES:

Exhibitor shall be responsible for the performance of labor provided under this option. Metropolitan will not be liable for loss or damage to crates and containers or their contents while same are in empty container storage.

4. INBOUND SHIPMENT(S) – Consistent with trade show industry practices, there may be a lapse of time between the delivery of shipment(s) to the booth and the arrival of Exhibitor or its representative, and during such time the materials will be left unattended. Metropolitan will not be responsible for any loss, damage, theft, or disappearance of exhibitor’s materials after same have been delivered to Exhibitor’s booth at show site. Metropolitan highly recommends the securing of security services from facility or show management.

5. Metropolitan will not be responsible for any loss, damage, theft, or disappearance of exhibitor’s materials before same have been picked up for reloading at the conclusion of the event. Metropolitan highly recommends the securing of security services from facility or show management. All Material Handling Agreements submitted to Metropolitan by exhibitor will be checked at the time of pickup from the booth and corrections will be made where discrepancies exist between the quantities of items on any form submitted to Metropolitan and the actual count of such items in the booth at the time of pickup.

6. DELIVERY TO THE CARRIER FOR RELOADING – Metropolitan assumes no responsibility for loss, damage, theft, or disappearance of exhibitor’s materials after same have been delivered to exhibitor’s appointed contractor, shipper, or agent for transportation after the conclusion of the show. In no event shall Metropolitan be responsible for any loss resulting from such rerouting designation.

All claims reported after thirty (30) business days will be rejected. In no event shall a suit or action be brought against Metropolitan more than one (1) year after the date of loss or damage occurred.

   a) Payment for services may not be withheld. In the event of any dispute between the exhibitor and Metropolitan relative to any loss, damage, or claim, exhibitor shall not be entitled to and shall not withhold payment or any partial payment, due Metropolitan for its services as an offset against the amount of any alleged loss or damager.
