NCCN 8th Annual Congress: **Hematologic Malignancies™**

September 20 – 21, 2013

New York Marriott Marquis
1535 Broadway • New York, New York

Join the National Comprehensive Cancer Network® (NCCN®) at the NCCN 8th Annual Congress: Hematologic Malignancies™ and demonstrate your leadership in cancer care with NCCN through select exhibit space. The NCCN Annual Congress: Hematologic Malignancies™ attracts nearly 600 attendees.

The treatment of hematologic malignancies is increasingly complex. Issues relating to pathology, transplantation, and various new therapies require oncologists and hematologists to stay abreast of new advances. In addition, targeted therapies and oral treatments bring new benefits to patients. This congress will focus on the new approaches that have been incorporated into patient management, including the use of drugs, biologics, and diagnostics.
