NCCN**

# ***Virtual* Reimbursement Resource Room**

## **Guide**

The oncology reimbursement landscape continues to present ever-evolving challenges for clinicians and others who work with patients with cancer. As a response to these ongoing challenges, help is available at the NCCN *Virtual* Reimbursement Resource Room at [NCCN.org/reimbursement](https://www.nccn.org/reimbursement).

Users can search by cancer type or supportive care indication, drug name, or by reimbursement or assistance program to learn about available services to help mitigate reimbursement challenges.

Visit the NCCN *Virtual* Reimbursement Resource Room today and learn about available reimbursement help and services at:

**[NCCN.org/reimbursement](https://www.nccn.org/reimbursement)**

**NCCN Reimbursement Resource App**

Available for smartphones and tablets!

**FREE App**  
available on  
Google Play or  
Apple Store

Monday through Friday (9:00 AM – 6:00 PM, Eastern Time).
2. Download the [ARIAD PASS Prescription Form](#).
3. Fax the completed [ARIAD PASS Prescription Form](#) to 1.800.823.4506

## Astellas Pharma US, Inc. XTANDI Support Solutions<sup>SM</sup>

### *Your Patients - Your Practice - Your Choice*

XTANDI Support Solutions<sup>SM</sup> is designed as a single point of contact to help patients and their loved ones understand their coverage and reimbursement options for XTANDI (enzalutamide) capsules. Astellas is firmly committed to ensuring our patients have access to XTANDI, regardless of their financial status. We are here to answer questions about your insurance coverage and options for filling your prescription in order to get you started on therapy as quickly as possible.

Flexible and integrated resources for patient access and support:

- Covers the needs of patients with private insurance and Medicare, as well as uninsured patients
- Physicians can send a prescription directly to a Specialty Pharmacy Provider in the network, HUB call center, or self-dispense out of an office based pharmacy
- Provides patient benefit verification and support with prior authorization and appeals assistance

### *XTANDI Patient Savings Program<sup>SM</sup>*

- Co-pay assistance for privately insured patients
- One time enrollment per year or 12 monthly refills
- Patients pay no more than \$20.00/month with an annual maximum benefit of up to \$12,000/year

### *Quick Start+<sup>TM</sup> for XTANDI*

To enable rapid initiation of treatment, the Quick Start+<sup>TM</sup> program for XTANDI provides a one-time, 14-day gratis fill supply of XTANDI that requires a physician prescription. Quick Start+<sup>TM</sup> is intended for new patients who have not received a coverage decision from their payer (for example, a benefit verification or prior authorization is pending) in time to start therapy in 10 business days. Quick Start+<sup>TM</sup> offers several benefits:

- Allow patients to start treatment with XTANDI while XTANDI Support Solutions<sup>SM</sup> troubleshoots issues
- Provides quick delivery time so patients can start therapy as soon as possible
- Offers direct-to-patient shipping

### *Astellas Access Program<sup>SM</sup>*

Astellas is committed to supporting and maintaining access to medications for patients who are treated with an Astellas product.

The Astellas Access Program<sup>SM</sup> for XTANDI is designed for patients who have no health insurance. This program provides free XTANDI to patients who qualify for enrollment based on insurance and household income status. Eligibility is determined on a patient-specific basis. XTANDI Support Solutions<sup>SM</sup> can quickly determine whether a patient is eligible for enrollment.

If you need assistance with the Astellas eService site, XTANDI Support Solutions<sup>SM</sup> or have any questions on coding, coverage, and reimbursement for Astellas products, please contact us between the hours of 8:00 AM and 8:00 PM ET Monday through Friday.

#### Contact Us

## BMS Access Support®

### Patient Access, Reimbursement, and Co-Pay Support

#### *Available Through*

Bristol-Myers Squibb is committed to helping appropriate patients initiate and maintain access to our medications during the treatment journey. That's why we created BMS Access Support®, which offers benefit review, prior authorization assistance, and appeal process support, as well as an easy-to-initiate co-pay assistance process and information on financial support. The Oncology Co-pay Assistance Program assists with out-of-pocket co-payment or co-insurance requirements for eligible, commercially insured patients who have been prescribed certain Bristol-Myers Squibb oncology products.

For more information, visit **BMSAccessSupport.com**, or call BMS Access Support at 1.800.861.0048, 8 AM to 8 PM ET, Monday – Friday.

## Boehringer Ingelheim Solutions Plus™

Making patient support our priority by providing a broad range of access, reimbursement and clinical support solutions for patients who are prescribed GILOTRIF® (afatinib) tablets.

Our goal is to help patients quickly and affordably access GILOTRIF®

- Additionally, we provide patient education, adverse event and dose management support to complement care
- Improving the overall patient support experience
- Single, dedicated specialty pharmacy, Accredo
- Single point of contact
- Efficient, reliable service
- Consistent patient support
- Innovative programs to support treatment

Call Solutions Plus at 1.877.814.3915 from 8:00 AM to 8:00 PM EST or online at **Bisolutionsplus.com**

## BTG International Inc.

BTG is a specialist health care company focused on three business areas: Interventional Medicine, Specialty Pharmaceuticals and Licensing.

BTG's Interventional Medicines include Interventional Oncology products used to treat patients with liver tumors and Interventional Vascular products used to treat patients with severe blood clots and patients with varicose veins in the great saphenous vein system of the leg.

BTG's Specialty Pharmaceutical products include antidotes to treat snake envenomation and toxicity associated with medicines used for heart conditions and cancer.

Company and product website addresses:

**Therasphere.com**

**Voraxaze.com**

## Celgene Patient Support®

**Celgenepatientsupport.com**

### *A single source for access support*

Celgene Patient Support® provides patients support with accessing their prescribed Celgene oncology medications. No matter what type of insurance patients have, a Celgene Patient Support® Specialist is here to help. Patients will speak to the same Specialist every time they call. A Specialist can provide a range of services when one of our medications is prescribed.

### *Financial Assistance Programs*

- Celgene Commercial Co-pay Program
- Reduce co-pay responsibility to \$25 for eligible patients\*
- Help identify third-party organizations to help with co-pay costs
- Celgene Free Medication Program for qualified patients who are uninsured or underinsured
- Help with locating financial assistance for transportation costs

### *Insurance-Related Services*

- Initiating a benefits investigation
- Assistance with the prior authorization or precertification process
- Providing appeals support

\*Patients must meet specified financial and insurance eligibility criteria to qualify for assistance.

There are 4 simple ways to enroll your patient in Celgene Patient Support®:

Call Celgene Patient Support® at 1.800.931.8691, Monday through Friday, 8:00 AM – 7:00 PM ET  
(translation services available)

Fax 1.800.822.2496

Enroll online at **Celgenepatientsupport.com**

E-mail us at **patientsupport@celgene.com**

## Eisai Assistance Program (EAP)

Eisai's commitment to innovative solutions in disease prevention, treatment and care for the health and well-being of people worldwide is embodied in our human health care (hhc) mission: we give first thoughts to patients and their families by helping to ensure access to necessary medicines.

With this in mind, the Eisai Assistance Program (EAP) provides dedicated reimbursement and access support for patients and health care professionals to reduce barriers to patient access to medicines.

**Specifically, EAP offers the following services:**

- insurance verification
- prior authorization information
- appeal information
- alternate coverage/funding information
- Patient Assistance Program (PAP) enrollment
- expediting product access and minimizing barriers to access

To learn more about the Eisai Assistance Program, please visit our website or call our toll-free number.

Phone: 1.866.61.EISAI (1.866.613.4724)

(Monday through Friday, 8:00 AM to 8:00 PM ET)

## Genentech Access Solutions

### *We Focus on Access So You Can Focus on Health*

If you are concerned about paying for your Genentech medicine, we are here to help. Whether you have health care coverage or not, we can help you by:

- Finding out if your health care plan pays for your medicine
- Guiding you through the process of getting your medicine
- Connecting you with our patient assistance programs

Visit **Genentech-Access.com** to learn more about these programs and how to get started. To speak live with one of our Specialists, call (866) 4ACCESS/(866) 422-2377.

## Genoptix, Inc., a Novartis Company

Genoptix collaborates with health care providers on complex oncology cases to provide definitive diagnoses to help improve patient outcomes. We partner with most major insurance companies, as well as Medicare. If Genoptix is not contracted with an insurance carrier, we will consult with the health care or insurance provider to determine a course of action.

Results from a regional retrospective study show economic benefits associated with the COMPASS hematopathologist-directed, centralized diagnostic workflow. Genoptix patients demonstrated improved transfusion independence and fewer office visits, lab tests, diagnoses, and transfusions, saving considerable time and resources. Source: Engel-Nitz NM, et al.

For any reimbursement questions, call Genoptix at 800.755.0802 or visit **Genoptix.com**.

## IncyteCARES (Incyte Corporation)

IncyteCARES (Connecting to Access, Reimbursement, Education and Support) was established by Incyte to assist providers, patients, and caregivers through a single point of contact with reimbursement assistance, patient access, and distribution coordination for Jakafi® (ruxolitinib).

IncyteCARES assists health care professionals and eligible patients with product access through a suite of services, including:

- Benefit verification, prior authorization and appeals assistance, and Jakafi delivery coordination
- Co-pay assistance for privately insured patients who meet the program's eligibility requirements
- Access to Jakafi free of charge for patients who do not have insurance and meet the program's eligibility requirements
- Referral to independent and nonprofit organizations that may be able to provide financial assistance
- Patient education and support

You can contact IncyteCARES, between 8:00 AM – 8:00 PM ET, by calling 1.855.4.JAKAFI (855.452.5234) or visit **IncyteCARES.com** for more information.

# Janssen CarePath

## Janssen Carepath

Janssen CarePath is your one source for resources focused on access, affordability, and treatment support for your patients. You, your staff, and your patients have the flexibility to choose which support and resources you may want to use. We can help make it easier for you and your patients to get the resources you both may need.

### *Access support to help your patients start on treatment you prescribe*

Janssen CarePath helps verify insurance coverage for your patients and provides reimbursement information.

Our offerings include:

- Benefits investigation support
- Prior authorization support
- Triage to specialty pharmacy providers, if needed

### *Affordability support to help your patients start and stay on treatment you prescribe*

Janssen CarePath can help you find out what affordability assistance may be available for your patients taking Janssen medicines:

- Support for patients using commercial or private insurance
- Support for patients using government insurance
- Support for patients without insurance coverage

### *Treatment support to help your patients get informed and stay on prescribed treatment*

Janssen CarePath helps keep your patients informed about their condition and the importance of staying on treatment with:

## Lilly *PatientOne*: Reimbursement & Patient Assistance Programs

The Lilly *PatientOne* program is committed to helping eligible patients access support programs for Lilly Oncology products they are prescribed. It aims to address both financial and coverage issues for qualified uninsured, underinsured, and insured patients who are prescribed a Lilly Oncology product. *PatientOne* strives to offer resources, ranging from benefits investigations to financial assistance and appeals information, that provide reliable and individualized treatment support for eligible patients. Services offered by this program include:

### *Insurance expertise*

- Coding and billing information
- Payment methodologies and allowables
- Payer policy information

### *Patient Assistance Program*

- Drug replacement for eligible patients

### *Financial assistance*

- Information about co-pay assistance foundations
- Co-pay program to assist eligible patients with out-of-pocket costs for specific Lilly Oncology products where available

### *Reimbursement assistance for eligible Lilly Oncology products for an approved diagnosis*

- Eligibility determination
- Benefits investigation
- Prior authorization
- Evaluation of other funding options

### *Denied claim appeals*

- Appeals status if requested
- Denied claims appeals templates, forms, and checklists

For more information call 1.866.4PatOne (1.866.472.8663) Monday – Friday, 9:00 AM – 7:00 PM ET or visit **[Lillypatientone.com](http://Lillypatientone.com)**.

## Patient Access Network (PAN) Foundation (866.316.7263)

The Patient Access Network Foundation is an independent, nationwide 501(c)(3) organization dedicated to providing help and hope to underinsured patients who are unable to afford the out-of-pocket expenses for their prescribed medications. Since 2004, PAN has provided over \$1 billion in financial assistance to more than 500,000 people living with chronic or critical illnesses, across nearly 60 disease-specific programs. For applications and eligibility questions, call 866.316.PANF (7263). To learn more, visit **PANFoundation.org**.

## Patient Assistance NOW Oncology (PANO) (Novartis Oncology)

*Helping to make access to the therapies you need easier*

Novartis Oncology is committed to helping patients living with cancer receive the medicines they need. Patient Assistance NOW Oncology offers quick and easy access to information about the broad array of support and reimbursement programs available.

You can get information about our Patient Assistance NOW Oncology support programs in 2 ways:

- Call 1.800.282.7630 to speak with a member of our knowledgeable staff dedicated to making access to our programs as simple and convenient as possible; or
- Visit our website at **[OncologyAccessNow.com](https://OncologyAccessNow.com)**

### **Support for patients includes:**

- Insurance verification
- Coding/billing questions
- Medicare education
- Therapy-specific support programs for out-of-pocket costs
- Alternative assistance searches and referrals to federal or state assistance programs
- Referrals to independent charitable foundations for assistance with co-pay costs
- Assistance with denials/appeals
- Patient assistance for low-income and uninsured patients
- Patients prequalified via phone screening for the Patient Assistance Program (PAP) will be sent a 30-day supply of their needed medication while completing the application
- Convenient provider portal to access program services or check the status of patients enrolled

**[OncologyAccessNow.com](https://OncologyAccessNow.com)**

## The Prosigna Patient Support Program (NanoString Technologies)

NanoString Technologies is committed to providing advanced actionable diagnostic and prognostic technology, helping improve cancer care for patients.

The Prosigna Patient Support Program is designed to help breast cancer patients gain access to the important information which can be obtained from the Prosigna Prognostic Breast Cancer Gene Signature. The program includes an array of services to meet the needs of patients and health care providers.

See Package Insert for further details at **Prosigna.com**.

For additional information on The Prosigna Patient Support Program visit **Prosigna.com/patient-support** or call 855.4.PROSIGNA (855.477.6744).

## Sandoz One Source™: Patient Support Services

Sandoz One Source is a comprehensive program designed to help simplify and support patient access. Sandoz One Source offers a variety of customized services for patients prescribed filgrastim-sndz (ZARXIO®) including:

- Comprehensive insurance verifications
- Prior authorization information
- Billing and coding information
- Claims tracking information
- Denials/Appeals information
- General payer policy research
- Information on external resources
- Commercial Co-Pay Program\*

## Taiho Oncology Patient Support

We know getting patients access to LONSURF® (trifluridine and tipiracil) is a critical step in their treatment. We strive to make this process as simple as possible.

### *Access and reimbursement support*

- Benefit investigations (BIs) to determine and report patients' insurance coverage of LONSURF®
- Prior authorizations (PAs) to meet payer requirements
- Claims appeals assistance if coverage is denied

### *Specialty pharmacy (SP) prescription coordination*

- Prescription triage
- Coordination with the in-network SP, self-dispensing practice, or hospital retail pharmacy
- Claims appeals assistance if coverage is denied

### *Co-pay support*

- Eligible, privately insured patients can receive a Taiho Oncology Patient Support™ Co-pay Card for help with out-of-pocket expenses for LONSURF®

### *Patient Assistance Program*

- We research financial assistance for patients with no or insufficient prescription insurance coverage or insufficient resources to pay for LONSURF®. Eligible patients may receive LONSURF® at no cost based on assistance, financial, and medical criteria

### *Alternate funding support*

- We refer eligible, publicly insured patients to nonprofit foundations for co-pay assistance

### *Personalized nurse support for treatment plan adherence upon request*

- Our treatment plan adherence services are available as needed to support patient care, including refill reminders

We will quickly investigate each patient's LONSURF® coverage, and help them get access to the LONSURF® treatment they have been prescribed.

Call 1.844.TAIHO.4U (1.844.824.4648) or for more information visit **TaihoPatientSupport.com**.

## Teva Oncology: CORE (Comprehensive Oncology Reimbursement Expertise)

Teva Oncology: CORE (Comprehensive Oncology Reimbursement Expertise) offers reimbursement support for branded Teva Oncology products. Some of the options include benefit verification, prior authorization support and customer service through the claims and appeals process. CORE also provides referrals to the Teva Cares patient assistance program.

For more information or an introductory consult please call 1.888.587.3263 or visit **TevaCore.com**.

## TOGETHER with TESARO™

TOGETHER with TESARO™ is a patient resource program dedicated to supporting people bravely fighting cancer. The program offers solutions for medication access and affordability throughout each patient's journey. TESARO's expert case management team facilitates a seamless process to ensure TESARO patients get the individualized support needed.

For more information about TOGETHER with TESARO, call 1.844.2TESARO (1.844.283.7276), or visit **TOGETHERwithTESARO.com**.

## YOU&i™ Support Program

Personalized assistance for IMBRUVICA® (ibrutinib) patients to help them:

- Learn about access to IMBRUVICA®
- Understand affordability support options
- Sign up for information and resources to support them along their treatment journey

### *Access Support*

We can help patients learn about access to IMBRUVICA® through:

- Rapid benefits investigation
- Information on the prior authorization process
- Navigating the exception and appeals process
- Coordinating IMBRUVICA® delivery

### *Affordability Support*

Regardless of insurance type, we can help your patients understand their options

- YOU&i™ Instant Savings Program: Eligible commercial patients pay no more than \$10 per month\* for IMBRUVICA®
  - \* Month refers to a 30-day supply subject to maximum benefit based on 12 monthly fills. Eligible patients may qualify for instant savings on their commercial insurance co-pay, deductible, and coinsurance medication costs for IMBRUVICA®. Not valid for federal and state healthcare program beneficiaries. Not valid for patients enrolled in Medicare or Medicaid
- Foundation Referral: If your patients need additional financial support, we can provide them with information on independent foundations that may be able to help
- Other Resources:
  - Johnson & Johnson Patient Assistance Foundation, Inc. (JJPAF) is committed to providing access to medicines for uninsured individuals who lack the financial resources to pay for them. If your patients need IMBRUVICA® (ibrutinib) and are uninsured and unable to pay for their medicine, please have them contact a JJPAF program specialist at 1.800.652.6227 from 9:00 AM – 6:00 PM ET, or visit the foundation website at [www.jjpaf.org](http://www.jjpaf.org) to see if they might qualify for assistance.

### *Nurse Call Support & Resources*

Your patients can talk to YOU&i™ nurses who can answer questions and provide information about IMBRUVICA® and their disease.

*Continued on next page*

*Continued from previous page*

- Ongoing tips, tools, and other resources sent through mail or email
- Patient Starter Kits for new IMBRUVICA® patients
- Educational materials and information about IMBRUVICA®

Enrolling in the YOU&i™ Support Program is easy
